

OUTPUT DESIGN:**LOGIN MAIN FORM:**

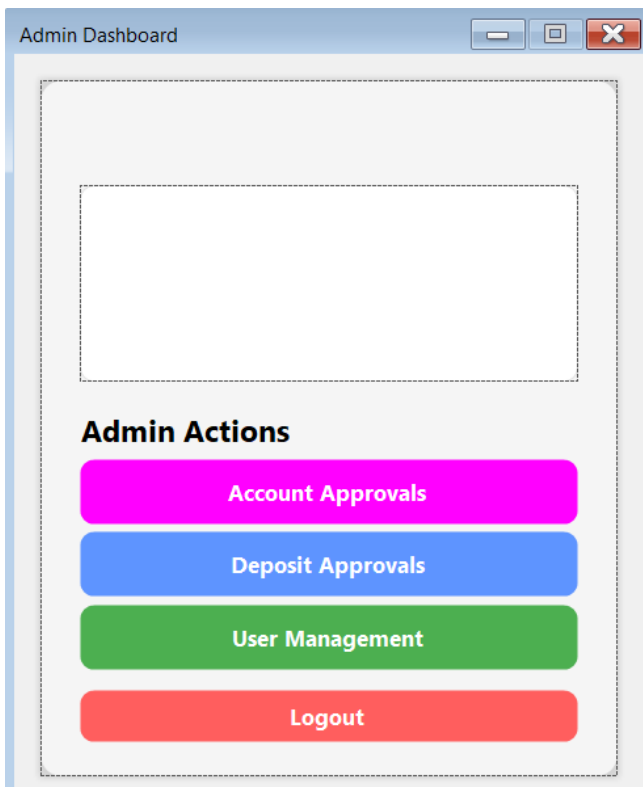

The Login Main Form is a vertical layout with a light gray background. At the top, the word "LOGIN" is centered in a large, bold, black font. Below it, there are two input fields: "Username" and "Password", each with a label above it. The "Username" field has a placeholder text "Username" and the "Password" field has a placeholder text "Password". Below the input fields, there are three buttons: a blue "Login" button, a green "Register" button, and an orange "Admin Login" button, all with rounded corners and white text.

REGISTRATION FORM:

The Registration Form is a vertical layout with a light gray background. At the top, the word "Register" is centered in a small, black font. Below it, there are several input fields: "Full Name", "Username", "Email", "Phone Number", "Address", "Select Account" (a dropdown menu), "Date of Birth" (a date picker showing "28 March 2025"), "Gender" (radio buttons for "Male", "Female", and "Others"), "Password", "Confirm Password", and "PAN Card Number". At the bottom, there are two buttons: a blue "Register" button and a red "Cancel" button, both with rounded corners and white text.

ADMIN LOGIN FORM:

A screenshot of a web application window titled "Admin Login". The window has a light blue header bar with standard minimize, maximize, and close buttons. The main content area is light gray. At the top, the text "Admin Login" is displayed in a large, bold, black font. Below this, there are two input fields. The first is labeled "Username" and contains the placeholder text "Enter admin username". The second is labeled "Password" and contains the placeholder text "Enter password". At the bottom of the form, there are two buttons: a blue "Login" button and a red "Cancel" button.

ADMIN DASHBOARD FORM:

A screenshot of a web application window titled "Admin Dashboard". The window has a light blue header bar with standard minimize, maximize, and close buttons. The main content area is light gray. At the top, there is a large, empty rectangular box with a dashed border. Below this box, the text "Admin Actions" is displayed in a bold, black font. Underneath, there are four buttons stacked vertically: a pink "Account Approvals" button, a blue "Deposit Approvals" button, a green "User Management" button, and a red "Logout" button.

DASHBOARD FORM:

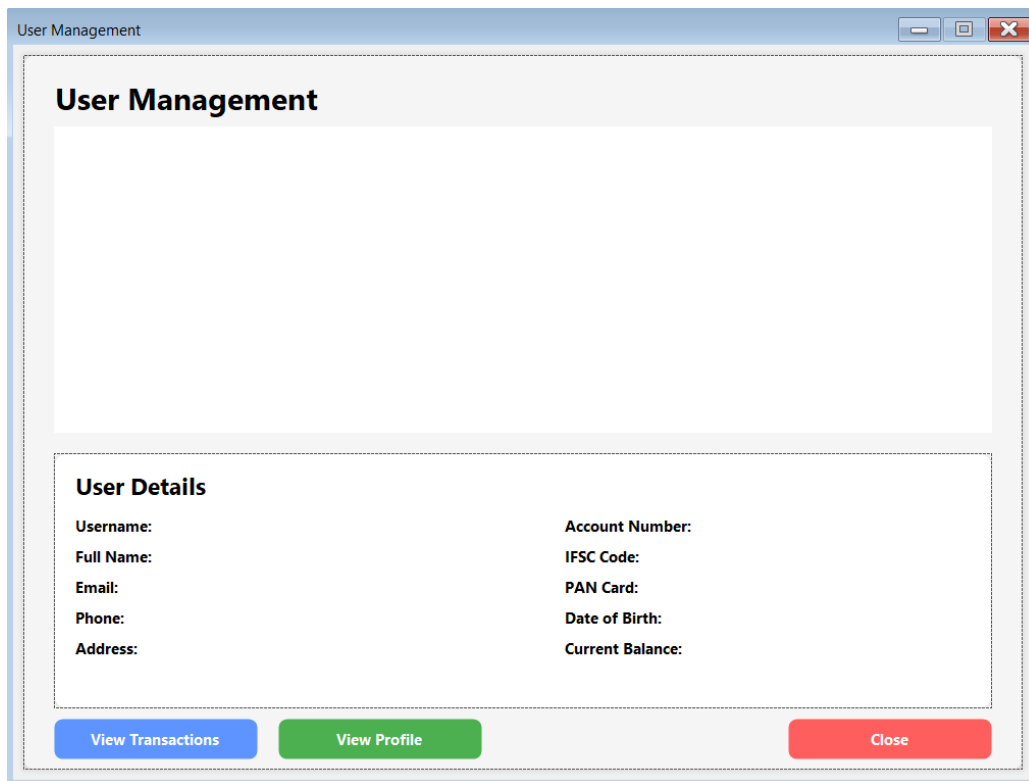

A screenshot of a web application window titled "Dashboard". The window has a light blue header bar with standard minimize, maximize, and close buttons. The main content area is light gray and contains the following elements:

- Welcome, User**: A bold heading.
- Account No: XXXXXXXX
- IFSC Code: BANK0012345
- A vertical stack of six buttons:
 - View Balance (blue)
 - Deposit Money (blue)
 - Fund Transfer (blue)
 - Transaction History (blue)
 - Account (blue)
 - Logout (red)

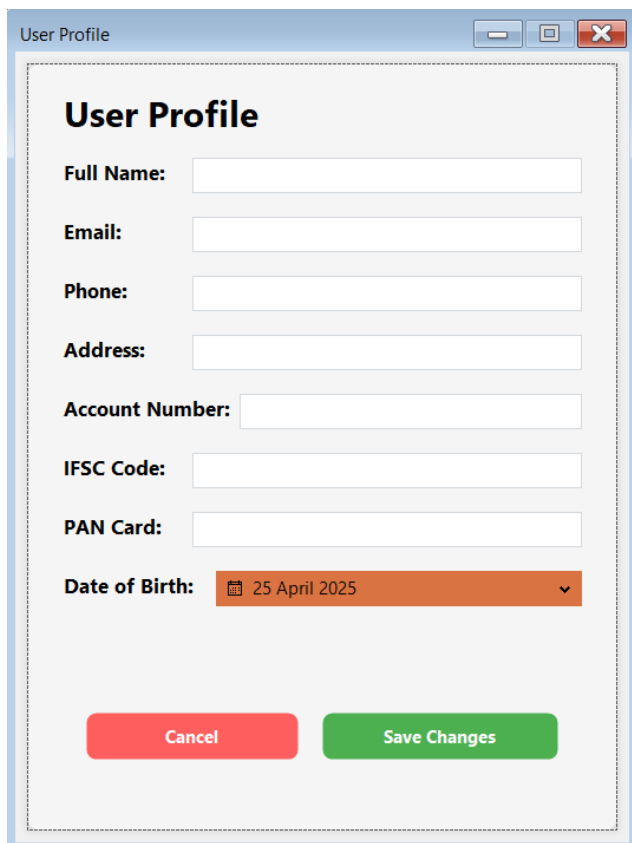

ADMIN DEPOSIT APPROVAL FORM:

A screenshot of a web application window titled "Admin Deposit Approval". The window has a light blue header bar with standard minimize, maximize, and close buttons. The main content area is light gray and contains the following elements:

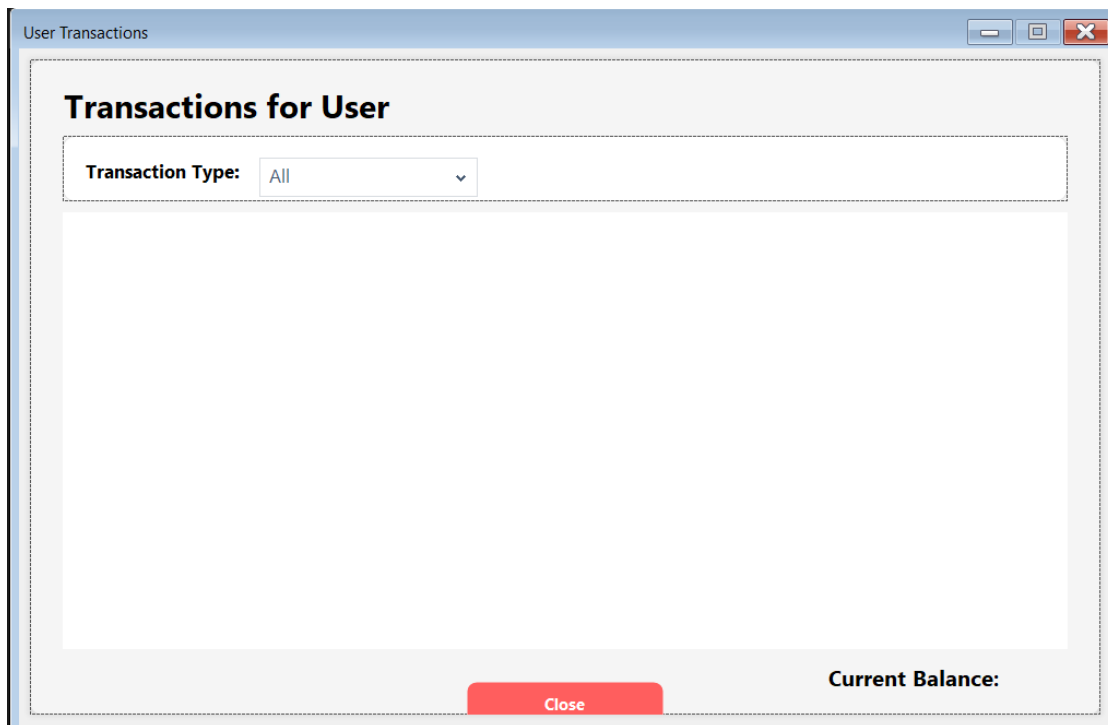

- Search:** A text input field with the placeholder "Search by Username or Amount".
- Filter by Source:** A dropdown menu.
- A table with two columns: "Approve" and "Reject". The table body is currently empty and has a gray background.
- Close**: A red button at the bottom center.

ADMIN USER MANAGEMENT FORM:

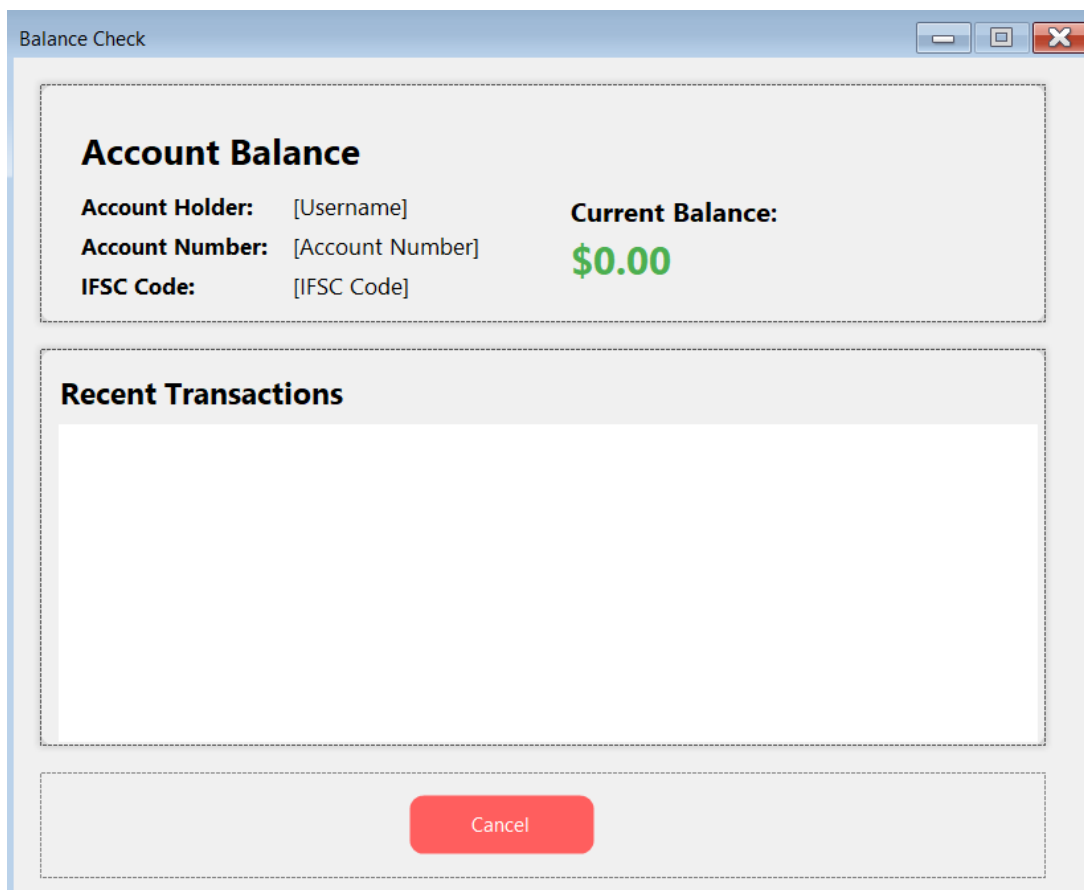

The screenshot shows a window titled "User Management" with a standard Windows-style title bar (minimize, maximize, close buttons). The main content area is titled "User Management" and contains a large, empty rectangular box. Below this box is a section titled "User Details" which lists various fields: Username, Full Name, Email, Phone, Address, Account Number, IFSC Code, PAN Card, Date of Birth, and Current Balance. At the bottom of the window, there are three buttons: "View Transactions" (blue), "View Profile" (green), and "Close" (red).

ADMIN USER PROFILE FORM:

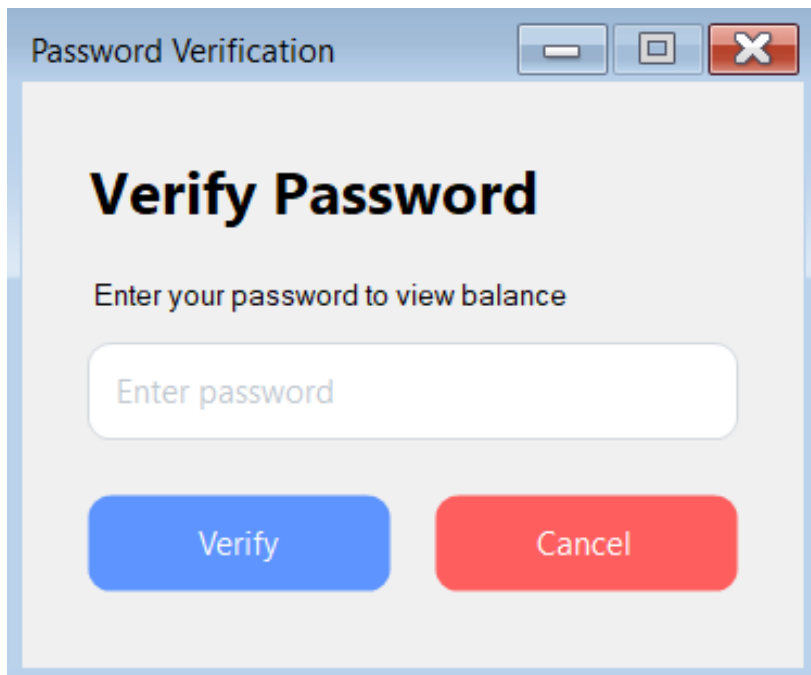

The screenshot shows a window titled "User Profile" with a standard Windows-style title bar (minimize, maximize, close buttons). The main content area is titled "User Profile" and contains several input fields for user information: Full Name, Email, Phone, Address, Account Number, IFSC Code, PAN Card, and Date of Birth. The Date of Birth field is a date picker showing "25 April 2025". At the bottom of the window, there are two buttons: "Cancel" (red) and "Save Changes" (green).

ADMIN USER TRANSACTION FORM:

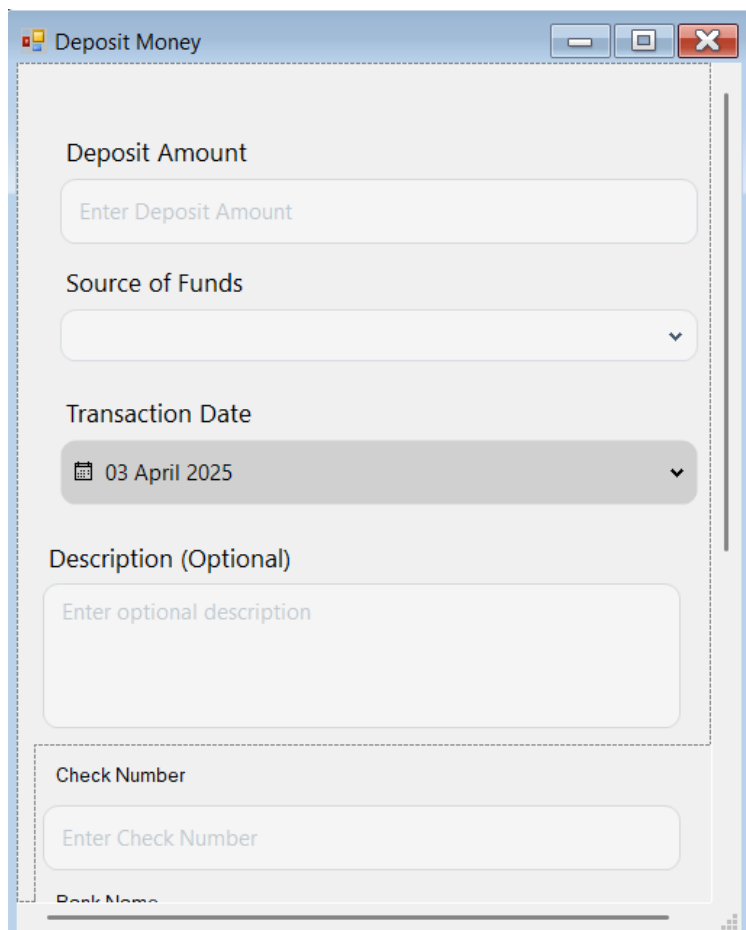

The 'User Transactions' window has a title bar with standard window controls. The main content area is titled 'Transactions for User' and contains a 'Transaction Type' dropdown menu currently set to 'All'. Below this is a large empty rectangular area for displaying transaction details. At the bottom right, the text 'Current Balance:' is visible. A red 'Close' button is located at the bottom center of the window.

CHECK BALANCE FORM:

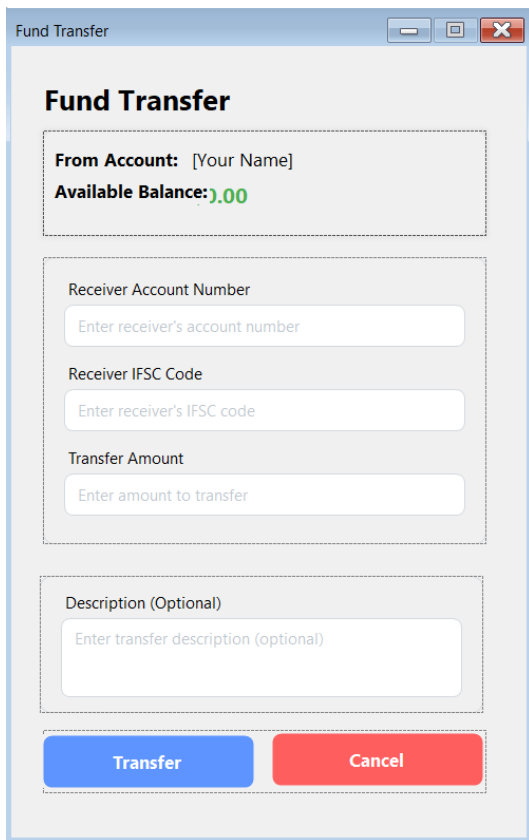

The 'Balance Check' window features a title bar with standard window controls. The main content area is divided into two sections. The top section, titled 'Account Balance', displays account information: 'Account Holder: [Username]', 'Account Number: [Account Number]', and 'IFSC Code: [IFSC Code]'. To the right of this information, the 'Current Balance:' is shown as '\$0.00' in green text. The bottom section, titled 'Recent Transactions', contains a large empty rectangular area for displaying transaction history. A red 'Cancel' button is positioned at the bottom center of the window.

BALANCE PASSWORD VERIFICATION FORM:

A screenshot of a 'Password Verification' dialog box. The title bar says 'Password Verification' with standard window controls. The main heading is 'Verify Password'. Below it, the instruction 'Enter your password to view balance' is shown. There is a text input field with the placeholder 'Enter password'. At the bottom, there are two buttons: a blue 'Verify' button and a red 'Cancel' button.

DEPOSIT MONEY FORM:

A screenshot of a 'Deposit Money' form window. The title bar says 'Deposit Money' with standard window controls. The form contains several fields: 'Deposit Amount' with a text input field (placeholder: 'Enter Deposit Amount'), 'Source of Funds' with a dropdown menu, 'Transaction Date' with a date picker showing '03 April 2025', 'Description (Optional)' with a text area (placeholder: 'Enter optional description'), 'Check Number' with a text input field (placeholder: 'Enter Check Number'), and 'Bank Name' with a text input field. A vertical scrollbar is visible on the right side of the form area.

FUND TRANSFER FORM:

The Fund Transfer form is a web-based interface for initiating a fund transfer. It features a title bar with standard window controls. The form is divided into several sections: a header section with 'From Account' and 'Available Balance', a main input section for 'Receiver Account Number', 'Receiver IFSC Code', and 'Transfer Amount', an optional 'Description' field, and a bottom section with 'Transfer' and 'Cancel' buttons.

10.APPENDICES B: Screenshots

LOGIN MAIN:

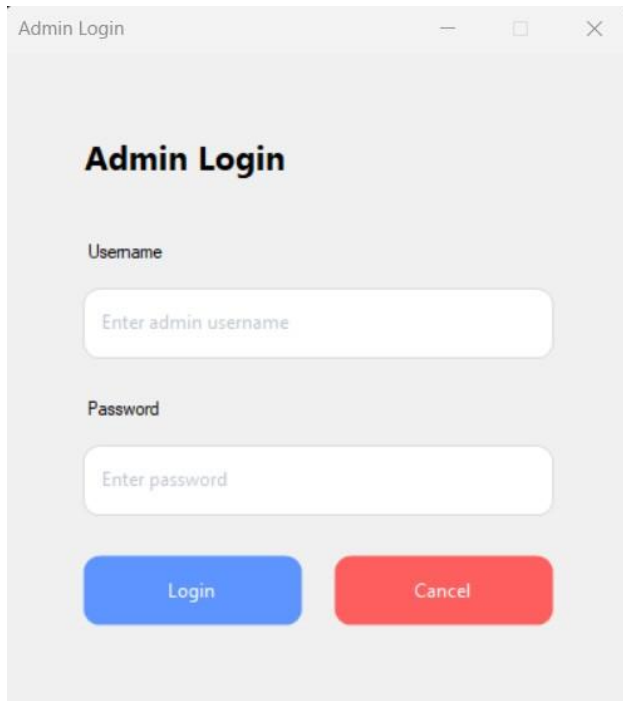

The screenshot shows a login interface with a light gray background. At the top, the word "LOGIN" is displayed in large, bold, black capital letters. Below it, there are two input fields: "Username" and "Password", each with a placeholder text of the same name. Under the password field, there are three buttons: a blue "Login" button, a green "Register" button, and an orange "Admin Login" button.

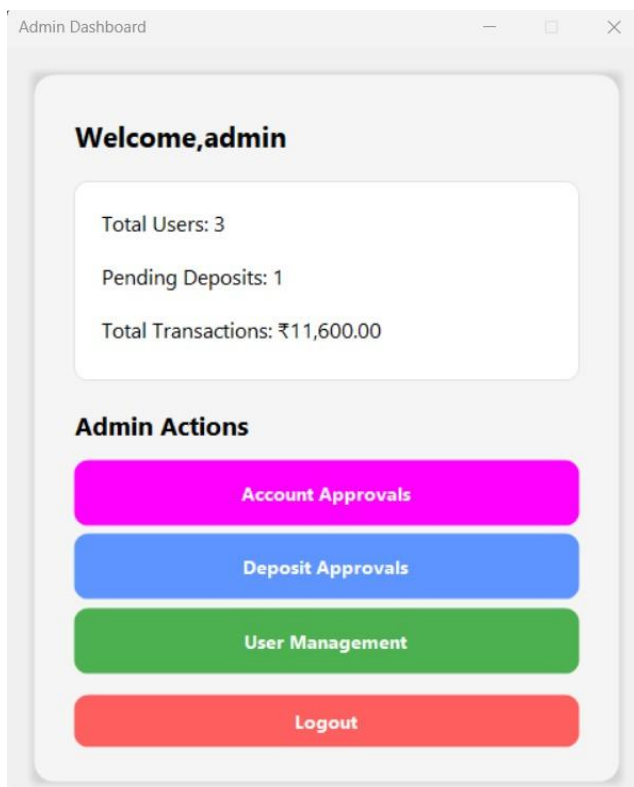

REGISTRATION:

The screenshot shows a registration form titled "Register" in a window. The form contains several input fields: "Full Name", "Username", "Email", "Phone Number", and "Address". Below these is a "Select Account" section with a "Select Account Type" dropdown menu. The "Date of Birth" field shows "28 March 2025" with a calendar icon. The "Gender" section has radio buttons for "Male", "Female", and "Others". There are also "Password" and "Confirm Password" fields. At the bottom, there is a "PAN Card Number" field. The form concludes with a blue "Register" button and a red "Cancel" button.

ADMIN LOGIN:

A screenshot of a web application window titled "Admin Login". The window has a light gray background and standard window controls (minimize, maximize, close) in the top right corner. The title "Admin Login" is displayed in bold black text. Below the title, there are two input fields: "Username" and "Password". The "Username" field has a placeholder text "Enter admin username" and the "Password" field has a placeholder text "Enter password". At the bottom of the form, there are two buttons: a blue "Login" button and a red "Cancel" button.

ADMIN DASHBOARD:

A screenshot of a web application window titled "Admin Dashboard". The window has a light gray background and standard window controls (minimize, maximize, close) in the top right corner. The title "Admin Dashboard" is displayed in bold black text. Below the title, there is a "Welcome,admin" message. Underneath, there is a white box containing three statistics: "Total Users: 3", "Pending Deposits: 1", and "Total Transactions: ₹11,600.00". Below this box, there is a section titled "Admin Actions" with four colored buttons: a pink "Account Approvals" button, a blue "Deposit Approvals" button, a green "User Management" button, and a red "Logout" button.
